

## How to Defeat Lust (KJV)

Lust is packed with many kinds of spirits such as greed, gluttony and adultery. Lustful spirits transform our natural desires for food, money and sex into evil inward desires. We also find that drug abuse, alcohol use and abuse of power begin with a lustful spirit. How to Defeat Lust is a little book that is filled with information and mighty answers to questions about how lust originated and what lust is. Filled with scripture, which is the foundation for defeating lust, and wisdom, which is found in the Word of God, this pocket sized text is written in a down to earth style that is easy to understand. Why scripture? Because only Gods word, which is the ultimate truth, can help defeat the spirit of lust and help provide freedom from the bondage of lust.
