

Animal Magnetism: A Loveswept Classic Romance

Bonnie Pega unravels a big-hearted tale of small-town romance as a young woman's passions help a handsome stranger believe in the magic of forever. Dr. Sebastian Kent needs a fresh start, and he can't imagine a bigger change of pace from New York City than the Blue Ridge Mountains of Virginia. He's found the perfect place to open his new veterinary clinic and escape from a difficult past. But Sebastian's plans don't include the fresh-faced beauty who shows up at his office looking for a job. An innocent in the ways of seduction, she stirs emotions and desires that Sebastian thought he'd shut away forever. Danni Sullivan has a gentle, almost magical way with animals. But ever since she talked the good doctor into hiring her, Danni has been in awe of Sebastian's healing touch. She knows that she should take it slow, but she's falling hard for the sexy vet . . . and she'll settle for nothing less than everything he has to give so long as Sebastian opens his heart to the promise of love.
