

Her Surprise Hero (Those Merritt Girls)

With scandal hot on her heels, acting attorney-general Cynthia Merritt has to get as far out of Atlanta as fast as she can. Except now she's sentenced to obscurity in Stonewall Hollow for as long as it takes to get her game back. And everyone in the small town acts like Ethan Grangers the law, not her! Sure, Ethan's outreach program for troubled teens is admirable. But she's not about to sentence the rancher's own son to Ethan's care. She won't bend the rules, not even for this sexy single dad. Damn him for making her wish she could stay in his small town forever.
