

Because I Love, a Novel

A freelance writer, Kaori Lynn is in a great position in her life. She is thirty years old, newly divorced with a great career. Her loving, but rivaling friends, Stacey and Vanessa, often try to get Kaori out on the town. Kaori's admirer, Darold Walker, wants to tell her how he feels, but the timing never seems to be right. Owner of a popular poetry club, Darold thinks that Kaori should be with him, but she's constantly being put to the side by her man, divorce lawyer Jackson Carver. Darold doesn't understand why she stays with Jackson, especially when he treats her as nothing more than eye candy. Kaori knows what she wants but does she know the SECRET of the man she loves? After discovering Jackson's promotion to partner at the firm, Kaori begins to find out just how much turmoil their three-year relationship is in when she's faced with having to make a valuable life decision on trust in the midst of confusion. Tina Carver, Jackson's mother, is heartless toward Kaori. Tina, a socialite, pries in all of her son's relationships adversely trying to force the women out of their lives. Although, Kaori feels strong enough to stand up to her, she is hoping Jackson will defend her. Kaori wants to know what Tina is trying to entail and in the midst finds her impeccable strength is weakening. Kaori caters to Jackson while forgetting her own personal desires not realizing that they're fading away. Wanting and needing to feel loved and appreciated by Jackson, she often finds herself in the relationship alone. What does she have to do to help her to cope? Because I Love, will take you on a journey and make you think twice about what you think you know about LOVE.
