

## Prosperity: Classic Christianity Book (Illustrated)

Prosperity (Annotated) by Charles Fillmore includes active table of content and Charless biographyProduct DescriptionAmerican mystic CHARLES FILLMORE (1854-1948) was a founder of Unity Church, part of the early New Age movement called New Thought that was popular in the late 19th and early 20th centuries. Unity adheres to a positive, practical Christianity, and this 1940 edition embodies that philosophy: it preaches that poverty is a sin, and that God wants us to be rich...a strain that has been picked up by some modern fundamentalist preachers in a way not entirely faithful to Fillmore's beliefs. Fillmore's lessons encompass... Spiritual Substance, the Fundamental Basis of the Universe Spiritual Mind, the Omnipresent Directive Principle of Prosperity Faith in the Invisible Substance, the Key to Demonstration Man, the Inlet and Outlet of Divine Mind The Law That Governs the Manifestation of Supply Wealth of Mind Expresses Itself in Riches God Has Provided Prosperity for Every Home God Will Pay Your Debts Tithing, the Road to Prosperity Right Giving, the Key to Abundant Receiving Laying Up Treasures Overcoming the Thought of LackAbout the AuthorBorn in 1854, on an Indian reservation near St. Cloud, Minnesota, Charles Fillmore spent much of his early life unsuccessfully speculating on real estate and traveling the country seeking a cure for his wife Myrtle's tuberculosis before cofounding the New Thoughtbased Unity movement with her. Their popular magazine, Unity, was first published in 1891. The Unity movement eventually oversaw multiple magazines and ran the town Unity Village in Lees Summit, Missouri. Fillmore died in 1948. God Has Provided Prosperity for Every Home THE HOME is the heart of the nation. The heart is the love center. Love is the world's greatest attractive power. The electromagnet that lifts the ingots of steel

must first be charged with the electric current, for without the current it is powerless. So the heart of man, or the home that is the heart of the nation, must be aglow with Gods love; then it becomes a magnet drawing all good from every direction. God has amply provided for every home, but the provision is in universal substance, which responds only to law. Through the application of the law the substance is drawn to us and begins to work for us. It is the law of love that we have whatsoever we desire. As a father gives his children gifts so the Lord gives to us, because of love. When we desire aright, we put our thoughts into the supermind realm; we contact God-Mind and from it draw the invisible substance that is manifest in temporal things. The substance thus becomes a part of our mind and through it of our affairs. We draw spiritual substance to ourselves just as the magnet draws the iron. When we think about the love of God drawing to us the substance necessary for support and supply, that substance begins to accumulate all around us, and as we abide in the consciousness of it, it begins to manifest itself in all our affairs. Perfect love casteth out fear. Fear is a great breeder of poverty, for it breaks down positive thoughts. Negative thoughts bring negative conditions in their train. The first thing to do in making a demonstration of prosperity in the home is to discard all negative thoughts and words. Build up a positive thought atmosphere in the home, an atmosphere that is free from fear and filled with love. Do not allow any words of poverty or lack to limit the attractive power of love in the home. Select carefully only those words that charge the home atmosphere with the idea of plenty, for like attracts like in the unseen as well as the seen.
